Camaro

By Anthony Young

Created under the watchful eye of General Motors design chief Bill Mitchell, Camaro sales topped 220,000 in the first production year. Take a look back at the Camaro from its introduction in 1967 up through the modern era. The author examines the evolution and development of four generations of Camaros, including research and development, manufacturing and marketing. He reveals the changing body styles of Z/28s, 350s, SS396, Berger, Yenko, LT-1 and IROC-Z Camaros. Rounding out Camaro's legendary history is coverage of its involvement and successes in racing. Paperback, 10" x 10", 156 pages, 90 color, 50 b/w photos. L3736 24.95 ea

The 1967-88 Camaro Reference Book from A to Z

By John R. Hooper

This is a detailed and well-written guide by world renowned Camaro expert and author John R. Hooper who has a reputation for getting very detailed and rare information on early Camaro facts and figures. This latest reference book deals with much of the rare and unknown information which has eluded the Camaro enthusiast. To date, there has never been a book which describes in detail and pictures all the rare optional parts and accessories which made Camaro famous! It deals with the most common base car information to the rarest options for 1967-68 including the 1967 Indy Pace Car and the early 1967 Z-28 of which only 602 were originally built! This is the first real comprehensive reference book on 1967-68 Camaros ever! You'll find everything you need in this latest "A to Z" reference book.

This reference guide includes over 352 pages packed with text and contains over 400 photographs. Includes information on options, colors, base car, Rally Sport, Super Sport, COPO, convertibles, pace cars, Z-28s, special interest Camaros, Nickey Camaros, Yenko's, Gibb, engine codes, dating section, casting numbers, heavy duty parts list and much, much more!

K1967

1967 SYC 427 Yenko Hood

Back in the midst of the factory muscle car era, there were several Chevrolet dealerships that decided to "up the ante". Two of these dealerships were Baldwin Chevrolet and Yenko Chevrolet which both created their own special Camaros. These super-high performance Camaros featured special distinctive hoods. Classic Industries® is proud to offer a quality reproduction of this very hood which was originally found on 1967 Yenko SYC 427 Camaros, 1968 Baldwin Motion Camaros, and optional on 1969 Baldwin Motion Camaros. This reproduction can be installed on any 1967-69 Camaro.

Important: Not for use with original hood latch assembly. Hood pins recommended. Hood pin mounting locations are scored on underside of hood for easy drilling.

Cowl Induction System

The ultimate in cowl induction replacement! Classic Industries® offers a complete reproduction of the original cowl induction air cleaner package for 1969 Camaros. Each set is offered for the original engine assembly and includes the correct parts for each application. This air cleaner is a direct replacement for the original cowl induction style air cleaner which includes everything you need to completely install a functional cowl induction system. The original cowl induction style air cleaner system was optional on 1969 Camaros with 302 (Z-28), SS-350, SS-396, 427 (ZL-1) or the Cast Iron Block 427/425hp (COPO

9561) Camaros. The cowl induction system was also installed on dealership performance specials such as Yenko, Berger, Dana, Nickey or Baldwin-Motion. This air cleaner system requires a cowl induction hood to complete a fully functional system along with correct installation. Be sure to choose the correct kit for your year and model. Contact our sales department for more information.

Note: The cowl induction system requires a cowl induction hood for installation. If your Camaro wasn't originally equipped with a cowl hood, you can install the correct hood and add the cowl induction system to your vehicle. Also may be used on 1967-68 Camaros with an owner installed cowl induction hood. Some items included in kit are not shown.

A complete Cowl Induction Package for 1969 Camaros. Includes virtually every item you need to completely install a Cowl Induction system . . . except the Hood!

1969 Basic Cowl Induction Air Cleaner

Reproduction of the original cowl induction air cleaner including correct black lid, base, and filter. This air cleaner is a direct replacement for the original Cowl Induction style air cleaner optional on 1969 Camaros with 302 (Z28), SS350, SS396 427 (ZL1) or Iron Block 427 (COPO 9561) Camaros. This option was also included on other dealership performance specials such as Yenko, Berger, Dana, Nickey or Baldwin-Motion. The air cleaner requires a cowl induction hood for correct installation. This air cleaner does not include the extension or the flange. See part numbers C671 or C672 below for cowl induction air cleaners which include these items.

Note: Air cleaner extension, flange and hood seal are available separately. Valve cover to air cleaner elbow and hose must be purchased separately, see valve cover section for correct elbow and hose application. Also may be used on 1967-1968 Camaros with a cowl induction hood.

The Air Cleaner Base, Filter, Lid, Air Cleaner To Hood Extension And Flange!

Cowl Induction Air Cleaner With Extension And Flange

Reproduction of the original cowl induction air cleaner including correct black lid, base, filter, air cleaner to flange extension and the flange. The extension for a 302 is shorter than the extension on the 350. This was due to a high rise intake manifold which was factory installed on all 302 (Z28) engines. This air cleaner is a direct replacement for the original Cowl Induction style air cleaner which was optional on 1969 Camaros with 302 (Z28), or SS350 engines.

Note: This air cleaner does not include the air cleaner flange to hood seal (available separately). Valve cover to air cleaner elbow and hose must be purchased separately, see valve cover section for correct elbow and hose application. Also may be used on 1967-68 Camaros with a cowl induction hood. Big block air cleaner does not include an extension since its not required.
